DISPERSAL

1-4 MILE WEST OF OSSIAN, INDIANA, ROUTE 1

HERD BULLS USED IN THE HERD

Noble Ximenes 4th x

Mercury's Type

Starting several years ago with a few good, prolific Scotch cows of excellent ancestry and using top Scotch sires John Dehner and Donald Mills have built up a good sized herd of quality cattle.

To introduce polled blood into the herd they purchased Noble Captain x, Champion Bull at the 1954 Spring show and sale of the Indiana Polled Shorthorn Breeders Association. They have a very promising group of polled calves by Noble Captain x and out of their good Scotch matrons, some of which are being sold as separate lots and some with the dam.

These cattle are in good healthy breeding condition but have not been fitted. Only in a dispersal is it possible to find such a wide selection of strong pedigreed matrons that have proven their worth.

GENERAL INFORMATION

LOCATION—The sale will be held on Friday night; 7:30 p. m. (D. S. T.) July 15, 1955 at the farm owned by John Dehner one quarter mile north of Ossian, Indiana on State Road 1; 15 miles South of Ft. Wayne, Indiana.

HEALTH—All cattle will have separate health certificate; approval stamp by State Veterinarian. Calf-hood vaccination has been practiced in this herd.

TIME—Friday night; 7:30 p. m. (DST) July 15, 1955

AUCTIONEER—Col. Vaughn Lipp, Ossian, Indiana

SALE MANAGER—H. W. Walker, 904 East 38th St., Indianapolis, Indiana, Phone - Hickory 6273

Terms and Conditions of Sale

TERMS—The terms of the sale are cash, unless other arrangements are made with the consignor from whom the cattle are purchased before the sale commences and the sale manager is notified of the arrangement. Buyers who are not known to the sale manager will bring bank references. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off, but the management will attend to loading on cars or trucks in compliance with instructions from the purchasers.

GUARANTEE—All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state. All cattle have been blood tested for Bang's Disease and Tuberculosis within a period of thirty days prior to the sale, unless calthood vaccinated and under 24 months of age. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller if in as good condition as when bought and, if, after a test in the seller's herd, he still fails to breed, he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All animals sold under 14 months of age are not guaranteed.

Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

The above guarantee and terms shall constitute a contract between seller and buyer of each lot. Neither the Sale Manager, nor the Clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

We will not be responsible for any accidents that may occur but will make every effort to provide for the safety and comfort of our guests.

Any announcement or correction of material in the catalog made from the auction stand on sale day will take precedence over the matter in the catalog.

MAIL BIDS—Those wishing to buy at this sale, who cannot be present, may send their bids to the Sale Manager, H. W. Walker, 904 East Maple Road, Indianapolis 5, Indiana, or telephone Hickory 6273; to Mr. Hal Longley, The Shorthorn World, 16 South Locust, Aurora, Illinois, telephone Aurora 5837.
